

Re: S.B. No. 184 and H.B. No. 5262

Dear Sen. Mae Flexer and Rep. Dan Fox:

I am writing in support of Absentee Ballot voting and urge the CT Legislature to extend AB voting through November 8, 2022 to allow CT voters to vote safely during the Covid pandemic.

Why shouldn't we give more people access to voting?

CT voters should be able to exercise their right to vote without fear of illness to themselves or family members.

Why shouldn't we encourage people to exercise their voting rights?

I also support changes in the language of state law to expand eligibility to vote by AB to include illness in general which removes the requirement of the voter to be "sick".

Please pass S.B. No. 184 and H.B. No. 5262!

Thank you for your hard work.

Yours truly,
